30th October 2020

Dear Sir or Madam,

Olympic shooting experience

As the national governing body for the Olympic shooting disciplines, our development vision is to inspire a new generation to reach their potential. In my role as the Talent Pathway Coordinator I am writing to you to ask for your help in finding the next generation of potential athletes.

In partnership with the Velos Association we would like to offer your cadets an opportunity to try the Olympic Shotgun disciplines and see if they would like to develop their shooting skills in one of our Talent Pathway programmes. The Olympic shooting experience days will be held at E J Churchill's Shooting Ground.

Details of our development programmes can be found on the [British Shooting](http://www.britishshooting.org.uk) website. Those who attend an Olympic Shooting Experience day will be given details of our Foundation and Development Academy programmes.

The details of the British Shooting Olympic shooting experience are as follows:

- Date:** Tuesday 8th December or Thursday 10th December.
- Venue:** [E J Churchill's](#) Shooting Ground. Park Lane, Lane End, Stokenchurch, High Wycombe HP14 3NS.
- Timings:** 1000 – 1600 hours.
- Cost:** Free for people under the age of 21.
- Lunch:** Food is available at the Ground but please feel free to bring a packed lunch.
- Equipment:** Please bring your own gun if you have one available. Guns and personal safety equipment can be provided on request.

To reserve places on either day please contact me, the British Shooting Talent Pathway Coordinator at: Christian.schofield@britishshooting.org.uk

Please call or email if you have any questions about the Olympic Shooting Experience or the British Shooting Pathway.

Yours sincerely

Christian Schofield
Talent Pathway Co-ordinator
